Leader, who is the Democratic nominee for the office, spoke at a dinner meeting in the Moose Hall in Steelton.

IKE'S REGIME DOING GOOD JOB AGAINST REDS SAYS ANALYST

"The Eisenhower Administration is doing a good job overseas and has hurled a formidable roadblock into the path of Communist aggression through the creation of the SEATO Alliance," declared New York commentator Richard Thomas, Thursday afternoon at a meeting of the South Central District Conference of the Pennsylvania Federation of Women's Clubs at the Hotel Gettysburg.

"However," warned the news analyst, "the Reds are determined to destroy the western world." The speaker called on the free nations to band together with the U.S.A. "to set up an increasingly more effective defense against Kremlin policies."

Mr. Thomas was introduced by Mrs. Keith B. Allen, vice president of the South Central District. Taking up the subject "What Next in Southeast Asia?" the speaker asserted that "Communist China will pursue her policy of aggression and conquest as rapidly as possible."

FRANKLIN TWP. APPEALS HEARD

Seventeen appeals from assessments in Franklin Twp. were heard this morning by the Adams County Commissioners as they continued their consideration of the more than 600 appeals that have been taken from the new assessment.

One of the appellants this morning, who had asked for a hearing on two properties, joined the list of those who have failed to appear at the time set for consideration of their case. This afternoon assessments on 28 properties in Franklin are to be heard, thus making a long day for both the commissioners and Franklin Twp. Assessor Paul Rebert.

As usual about half the properties appealed were retained at their original assessment. The others were lowered slightly.

In all cases the appellants stated their reasons why the assessments should be lowered. Then the commissioners went over the facts on the property, checking value when purchased and improvements made since. Generally the appellants and commissioners agreed when the assessments were right, or within a few hundred dollars of accuracy.

The problem of assessment of the East Berlin Flour and Feed Mill—a problem shared by all business properties—was solved by dropping the assessment from \$12,500 to \$11,000. Decision on the value of the buildings was reached by subtracting from the real value of business all items such as inventory, machinery, an estimate for good will, equipment, etc. and thus getting down to the assessable part—the actual value of the buildings themselves and the land connected with them.

WOMEN VOTERS IN GETTYSBURG OUTNUMBER MEN

Women voters outnumber the men 1,776 to 1,705 in Gettysburg, according to the compilation of the current registration by the county election board.

The compilation is made twice a year when the registration books are closed prior to the primary and election and the official list is made of all eligible voters.

The figures also show Gettysburg as a "bedrock" of the Republican party in the county—with the Republicans outnumbering the Democrats two to one. The number of Republicans in the town is 2,285 while the number of Democrats is 1,126.

Women seem Republican-minded in the borough, with the majority of Republican women over the men causing the townwide majority of women voters over the males.

Breakdown Of Figures
1,192 of the Republican voters in the borough are women, as compared to 1,093 men. Only one district, the third ward, shows a preponderance of males.

First Ward, First Precinct has 231 male, 255 female Republican voters. In Gettysburg First Ward, Second Precinct the numbers are 261 men, 282 women. In the Second Ward the Republican registration is 297 men to 362 women and in the Third Ward the male Republicans have a slight, 304 to 293 majority over the women.

On the Democratic side there are 574 males and 552 females registered in Gettysburg. Of that number 87 males and 93 females are listed in First Ward, First Precinct; 122 males, 123 females in the First Ward, Second Precinct. The Second Ward totals are 173 men, 160 women and Third Ward, 192 men, 176 women.

Of the 70 non-partisan voters in the borough 32 are women and 38 men.

The county-wide figures show there are 10,918 Republicans, 5,941 men and 4,977 women and 8,098 Democrats, 4,514 men and 3,584 women. The report shows gains in both male and female registrants over the pre-primary figures. At primary time there were 10,618 Republicans, 5,776 men and 4,842 women and 7,433 Democrats, 4,158 men and 3,275 women.

YOUNGSTERS AID EMERGENCY POLIO CAMPAIGN

The youngsters are really "getting into the act" in helping the current emergency drive of the "March of Dimes."

Mrs. Joseph E. Codori, general chairman of the current campaign to raise additional funds for the National Foundation for Infantile Paralysis, reported that Littlestown and New Oxford children as well as those from Gettysburg are raising funds for the drive through various activities of their own.

Four Littlestown youths raised \$45.04 in one day through a concerted campaign in which they waited outside factories to secure donations from the workers as they left for home, and then made a door-to-door canvass to secure additional funds.

The Littlestown youngsters conducting the "drive" included Donald Arbogast, Richard Motter, James Evans and Frank Prato.

New Oxford Group Helps
At New Oxford, Laura Jane Estep, aged 11, and "Kristy" Winebrenner, aged nine engaged in several activities to raise \$6.40 for the March of Dimes.

First they sold catnip that they secured from the fields, and fruit that they secured from trees at their homes. They also conducted a show, assisted by Patsy Estep, Jennie Himes, Marie Sherman and "Bitsy" Winebrenner, in order to help out the drive to raise \$20,000,000 additional for the National Foundation's program this year.

Contributions are being sought by the county unit of the National Foundation as part of the nationwide drive to raise the funds that will be needed if the Foundation is to complete its test of approximately 400,000 children who were given a new polio vaccine; continue with making sufficient gamma globulin for all needs, and continue to provide hospitalization, equipment and general care for polio sufferers, Mrs. Codori said.

ATOM FURNACES ARE YEARS AWAY

NEW YORK (AP)—Lewis L. Strauss, chairman of the Atomic Energy Commission, predicts that industry will have electrical power from atomic furnaces in 5 to 15 years.

"Our children will enjoy in their homes electrical energy too cheap to meter," he adds.

The time can be shortened if research is pushed sufficiently, he said last night in addressing the National Assn. of Science Writers. Discussing the nation's atomic program, he said:

"It is not too much to expect that our children will know of great periodic regional famines in the world only as matters of history, will travel effortlessly over the seas and under them and through the air with a minimum of danger and at great speeds, and will experience a life span far longer than ours, as disease yields and man comes to understand what causes him to age."

SEEK MISSING WOMAN, BABY

HAZLETON, Pa. (AP)—Search for a missing Freeland woman and her 21-month-old daughter expanded throughout eastern Pennsylvania today as an extensive search of surrounding woodland and water-filled strippings failed to turn up any trace of the couple here.

She was wearing a long pink coat, blue and white checked dress, a purple scarf with floral design and white play shoes. The baby wore green and tan checked denim, a pale yellow bonnet and a Navy blue coat.

RUSSIA SAYS IT SET OFF ATOM BLAST

MOSCOW (AP)—The Soviet Union announced today it has exploded "one of a type of atomic weapons" with "valuable results."

The brief announcement by the official news agency Tass said the test "will enable Soviet scientists and engineers to solve successfully problems of defense from atomic attack."

The announcement said: "In accordance with the plan for scientific research work, trials of one of a type of atomic weapons were carried out in the Soviet Union during recent days."

"The aim of the trial was the study of an atomic explosion. The trials produced valuable results, which will enable Soviet scientists and engineers to solve successfully problems of defense from atomic attack."

Noted In Tokyo

In Tokyo, the Kyodo News Service reported that the meteorological laboratory of Kyoto University had recorded unusual instrument readings Aug. 26 similar to those observed when the United States made atomic tests at the Bikini Atoll.

Kyodo said a student at the laboratory reported a laboratory manometer, or pressure gauge, gave the readings on that date at 8 a.m. (Japan time) and again at 1 p.m. There was no immediate reaction to the Russian announcement from American officials.

The hunting season for deer opened prematurely this morning when an unidentified trucker accidentally struck and killed a deer bounding across Buford Ave., near the borough line, at about 2 o'clock this morning.

The trucker reported the incident to restaurantier Fred Faber, whom he met on the road. Faber found the state police barracks dark, and called borough police, and told the story to Officer Paul B. Shealer.

today that Italy, desiring to localize

said: "The shock can be averted by
realizing it is a vain illusion to keep
standing or still waiting to reconstruct
positions which history and natural
dynamism of peoples have condemned."

Today's Talk

DOES IT MATTER?

It is a fact that the bigger problems
of life that come to us all,
from time to time, are usually
handled with courage, determination,
and with little or no complaining.
It's the little pesky things
that do the most damage to one's
disposition and peace of mind.
What a large number of them could
be quickly wiped from our consciousness
merely by asking ourselves
when each appears, does it
matter?

What a world of bitterness, misunderstanding,
and frayed nerves could be prevented
by weighing each problem as it appears
and deciding then and there whether
it is worth the upset that so often
appears. A sense of humor has often
saved the day where there has been
the temptation to cause a quarrel
or unhappy incident. Habitually,
in our daily lives, there is that
whispering in our ears, does it
matter? In a majority of cases it
really does not matter.

The incident then can be dismissed.

A sense of values is a wonderful
possession. How silly and unintelligent
it is to place any value whatsoever
on an incident or happening that
has no mental, moral, or spiritual
significance. Those things that matter
in our daily lives are the things that
contribute to our character and standing,
and which reflect the lives, books and
experiences that have most shaped
our career.

We must keep challenging our
common sense and putting it to the
test. We must get the selective habit,
the same as the shopper does when
out to buy a definite article, but the
one that has long been pictured in the
mind of that shopper. It always matters
whether we are satisfied with life, or are
reaping its gifts and rewards, for to
be happy in a little space is far more
important than to be either wealthy
or famous in a big space!

Tomorrow Mr. Adams will talk
on the subject: "Be Serviceable!"

THE ARTIST

The artist with his brush and paints
Bring back to life the long dead
saints,
Or keeps alive with pigment green
The spender of a woodland scene.

He captures with an accurate eye
The features of a passer-by—
A gray, old man, death soon will
call,
To live on some museum wall.

Upon a canvas with his powers
He brings to life the springtime
flowers,
And bright they'll stay for all to
know,
Though countless winters come
and go.

The artist, fine of taste and sense,
Bestows on frailty permanence,
And for the future keeps alive
What otherwise would not survive.

'SORDID STORY' OF GOP 'MISRULE' WILL BE AIRED

HARRISBURG (AP)—Sen. John Carl Miller (R-Beaver), who jumped the Republican party two days ago to support Democratic candidate George M. Leader for governor, said today the "sordid story of Republican misrule in Pennsylvania will be brought into the open" before this campaign is over.

"It is not a pretty story," Miller said in a statement. "It is a story that reveals the shame and despair of decent, self-respecting people in the Republican party who, like me, have seen the complete breakdown of political integrity."

The "grand exodus" from the Republican party now is underway, Miller said, adding:

"The Horsts, the Pines and the Owlets have no one to blame but themselves."

Noise Won't Impress
He referred to Miles Horst, state Republican chairman; Gov. John S. Pine; and G. Mason Owlett, Republican national committee-man.

Dealing with Horst specifically, Miller said the GOP chairman is "merely making noise that will impress no one" in saying that Miller is an "embittered, defeated and discredited politician" for having come out in support of Leader.

"In 1950, when I was elected to the House of Representatives, I was the only Republican to win in Beaver County," Miller said. "In 1952, when I was elected to the State Senate, for a term that still has two years to run, I broke many vote records in the Beaver-Lawrence senatorial district."

True Picture Hidden
In a campaign speech at Steelton last night, Leader said the true picture of unemployment in Pennsylvania is hidden by statistics which do not show the "vast number of employees working a short week with a sharp cutback in earnings."

Many people are working only three days a week in steel and coal centers Leader said, adding:

"According to statistics, they are still employed, but their income and purchasing power are cut 40 per cent. They do not find much encouragement in the Republican idea that we are enjoying great 'progress and prosperity'."

Charles Frank Snyder, both of Biglerville, R. D., were united in marriage Saturday evening at 7:30 o'clock in the parsonage of the Arendtsville Lutheran Church.

The ceremony was performed by Rev. George H. Berkheimer, pastor of the bridegroom.

Mr. Snyder is employed by the C. H. Musselman canning company, Biglerville.

The couple will reside at the home of Mrs. Laura Deardorff, Biglerville, R. D.

Substitutes Court Suit For Gun Battle

TOWSON, Md. (AP)—Mrs. Wanda K. Sieniewski has substituted a court suit for a gun in her fight with a construction company.

She is suing the Leo G. Butler Co. of College Park for \$70,000. About a year ago she brought company construction of sewer and water lines to a standstill by impounding its equipment behind chicken wire and standing guard with a rifle.

The 57-year-old grandmother fended off company attempts by land and water to recapture their equipment parked on her property. She gave in after negotiations.

But she is asking \$10,000 for property damage, \$25,000 for trespassing and \$35,000 for damages to her health.

LEIPZIG FAIR SHOWS RUSSIA SEEKING TRADE

By TOM REEDY

LEIPZIG, East Germany (AP)—The Leipzig Trade Fair, which closed this week, made it evident that the East has something to export this year for the first time since the war. Moscow wants trade and is pushing for it.

The fair managers boasted that you could buy anything you saw. That included giant drill presses, lathes, optical instruments, precision tools, Russian and Czech automobiles, weaving machines, silks, wines, porcelain and pottery, engravings, lace and needlework, Pilsen beer and Russian brandy, vodka and champagne.

Change For Stalin

The Soviet pavilion was jammed with machinery, operating for the public. A giant statue of Stalin which once dominated an entry to the pavilion had given way to a twin statue that appeared to depict Lenin as the teacher and Stalin as the pupil; Stalin was half an inch shorter than Lenin.

The Red China pavilion was the second largest. It offered silk brocades, fine rugs and tapestries—and drill presses, lathes and motorcycles. A bronze bust of Mao Tse-tung was in the center of the hall.

The East German government announced that business contracts for the equivalent of nearly 400 million dollars were signed during the 11-day fair.

PRESIDENT IS PROVED RIGHT ON RED ISSUE

By JAMES MARLOW

WASHINGTON (AP)—President Eisenhower hasn't been in politics as long as Sen. McCarthy but so far he has been a better political prophet.

Late in 1953 Eisenhower expressed hope Communists-in-government would not be an issue in this year's congressional elections Nov. 2. He said he thought his administration would have weeded out by then any in the government.

Shortly afterward, on Nov. 24, 1953, McCarthy contradicted the President with a forecast of his own:

"The raw, harsh, unpleasant fact is that communism is an issue and will be an issue in 1954."

McCarthy Was Wrong

He was wrong. Communists-in-government may be fought over in some local campaigns but is not a national issue raised by either party, yet.

McCarthy went further last November and made himself an issue in the 1954 elections by saying:

"If the American people agree with (former President) Truman that what he calls McCarthyism is bad, that it is wrong to dig out and expose traitors, they have a chance to get rid of me as chairman of the investigating committee by defeating any Republicans up for reelection."

He's In A Box Now

He apparently exaggerated his own political importance. He is not a national campaign issue. Candidates generally are not rising or falling on how they stand on him.

Instead of being an issue, he's in a box, put there by his own Republicans. They've boxed him in far more completely than the Democrats were ever able to.

The result has been to keep him out of the campaign although there is nothing to show that was the intention.

The 62-year-old Carlisle woman was suspended several weeks ago when a check of her accounts in the state office was made while she was recuperating from an injury suffered in a fall at the capitol building.

The indictment was on the specific charges of fraudulent conversion, embezzlement by a public officer and larceny by an employee. Dist. Atty. Huethe P. Dowling had set at \$17,000 the amount of money missing from the courts funds.

French officials estimate that about 350,000 Frenchmen now live outside the country compared to about 800,000 businessmen, teachers, missionaries; engineers and others who lived outside the country in 1914.

Durocher Praises Pennant-Bound Giants As They Take Pair From Crippled Braves; Yanks Nip Tigers

By JOE REICHLER
Associated Press Sports Writer

Beaming with pride over his pennant-bound New York Giants, Leo Durocher today called his 1954 league leaders a greater club than his 1951 miracle team that came from way behind to defeat the Brooklyn Dodgers with the never-to-be forgotten finish.

The voluble little manager, gushing with good will and in a blessing-all attitude, lauded his Giants as the "gamest team that ever walked out on a field" following what probably was their happiest day of the season.

Combining brilliant pitching, a tight defense and timely hitting, the Giants twice whipped the Milwaukee Braves by 6-2 scores yesterday to sweep the three-game series and stretch their first-place lead over Brooklyn to 4½ games. A 9-3 defeat inflicted by Cincinnati upon the Dodgers helped the Giants pick up a game and a half in one afternoon.

"Gamest Ever"

"Did you ever see such a club as this one?" boomed Leo in a voice loud enough to drown out the clubhouse din. "This is the gamest club I ever managed. And one of the best. Certainly better than the '51 Giants. It has more pitching, a deeper bench and an improved Willie Mays."

"Maybe my 1941 Dodgers were better. But I'm not even sure of that. Anyway, these guys of mine are great. Simply great. All of them."

Durocher had good reason to be proud of his team. Once again when the chips were down they came through like champions. The more precarious their position, the harder they have played. Four times during the last four weeks, the Giants' lead shrunk to three or fewer games and each time they have come through with resounding victories.

Braves Virtually Out

As a result of yesterday's activities, the Giants can count their pennant chances on the fingers of one hand. The magic number is now five. Any combination of five Giant victories and/or Dodger defeats would clinch the flag for New York.

The game but hard-luck Braves, now 7½ lengths off the pace, are virtually eliminated. The combination there is three. In justice to the Braves, they played the entire series without the services of slugger Joe Adcock, their injured first baseman. In addition, Eddie Mathews was handicapped by a lame left leg. Bobby Thomson missed yesterday's twin bill because of his ailing ankle and Henry Aaron was out with a busted leg.

Only one other major league game was played. In that one, the New York Yankees prolonged their agony, defeating the Detroit Tigers 4-2 to keep their faint pennant hopes barely alive. They still trail the pace-setting Cleveland Indians by eight games with only nine to go. Cleveland also has nine games left.

No Brash Statements

Despite the Giants' big bulge, Durocher refused to make any brash pennant statements. "We play one game at a time," he said. "We've got to win again today." (The Giants play Philadelphia tonight.) "But those two were good ones. My guys played like champions. You can't give them enough credit. Gomez... Grissom... Wilhelm... Mays... all of them Everybody took part. I'm proud of all of them."

Ruben Gomez and Monte Irvin... Dark... Williams... were the first game heroes.

15th For Gomez

Gomez, the Puerto Rican right-hander, turned in an eight-hitter for his 16th triumph and fourth in a row. Monte Irvin drove in four runs with a double, single and sacrifice fly as the Giants knocked out Warren Spahn for the first time this season. He has started six times against them.

Grissom and Wilhelm combined to hold the Braves to seven hits in the nightcap. Grissom, making his first start since May 1, gave up all the hits before he was removed after Mathews' 37th homer had tied the score at 2-2 with one out in the sixth inning. Wilhelm gained credit for the victory, his 12th, holding the Braves runless and hitless in 3 2-3 innings. He now has pitched 9 2-3 consecutive hitless innings. Mays slammed his 40th homer and two singles to boost his batting average to .343, tying him with Brooklyn's Duke Snider for the league lead. Alvin Dark and Davey Williams also homered off loser Lew Burdette in the nightcap.

49th For Ted

Joe Nuxhall, the only lefthander to beat Brooklyn at Ebbets' Field, did it again with a route-going 10-hitter. The Reds walloped five Brooklyn hurlers for 13 hits in-

cluding home runs by Wally Post, Bobby Adams and Ted Kluszewski. It was Kluszewski's 49th. Only three National Leaguers — Hack Wilson (56), Ralph Kiner (54) and Johnny Mize (51) have hit more in a season.

Yogi Berra's 3-run homer in the first inning was all young Bob Grim needed to win his 19th game of the season. The righthander permitted six hits. He has an excellent chance to become the first rookie 20-game winner for the Yankees since Russell Ford turned in a 26-6 record in 1910.

TITLE FIGHT IS SET FOR 11 P.M.; GOOD FORECAST

By MURRAY ROSE

NEW YORK (AP)—Yes, folks, heavyweight champion Rocky Marciano and challenger Ezzard Charles still are waiting around to fight for the title. The 15-round, twice postponed, is scheduled for Yankee Stadium at 11 p.m., EDT (10 p.m., EST) tonight.

Note, it says scheduled. Rain washed out the return bout on Wednesday and Thursday to equal the heavy weight championship postponement record set in 1948 by Joe Louis and old Jersey Joe Walcott.

The game weatherman, sticking his chin out again, says it will be "mostly fair" this afternoon and tonight. He predicted Wednesday that it would rain Thursday, let up in mid-afternoon, and be cloudy Thursday night. Promoter Jim Norris couldn't wait. The morning rains wet all the seats and everything else in the park and he called off the fight at noon.

Weatherman Right

For the record, the rain did stop late Thursday afternoon. But it started drizzling again at 7 p.m., let up shortly after, and then 10 minutes before the original 10:30 p.m., starting time it began to rain again. At 10:50 p.m., it was pouring.

If it rains tonight and another postponement is forced, the rain-jinxed scrap will be rescheduled for Saturday night at 11 p.m., EDT.

Beyond Saturday, nobody knows. The Yankees come home Monday and will need the park themselves. The International Boxing Club will have to take out its expensive ring and seat setup. Norris can't shift to the Polo Grounds because the Giants expect to play in the world (Continued on Page 10)

Littlestown Opens Season Against West York Saturday

Littlestown football fans can expect plenty of action Saturday afternoon when Coach Wilbur Gobrecht takes his newly acquired Thunderbolts into York for their season's debut with the powerful West York High School gridders. West York, who defeated the Bolts in a thrilling contest last year, have 10 lettermen back on their squad.

Saturday's game will mark the 1914 opening of the Laurel League Conference. Other members of the conference include: Susquehannock, Dallastown, Kennard-Dale and Biglerville.

Twenty-eight boys reported for football practice at Littlestown, including 16 members from last year's team which won one (Susquehannock), tied one (Biglerville) and lost six.

Use Single Wing

Working with a comparatively light, fast squad, Gobrecht, assisted by Maurice Bream, has been teaching his pupils the fundamentals of the single wing, hoping to capitalize on deception, quick openers, spinners and weak side charges. In previous years, the Bolts operated out of a T-formation and double ring.

In the backfield, the 23-year-old coach plans to use returning Donald Kump at fullback, and George Snyder in the quarterback slot, along with halfbacks, James Kress, James Zulick and Lenard Potter. Candidates for the end positions are: Jay Showvaker, Dean Selby, Fred Busbey and Leo Harper, James Sellman, 2-year veteran, will be back at center while Robert Orndorff, Thomas Gouker and Kenneth Kooztz will share the guard positions. Dividing the tackle chores will be David Bucher, Terry Brown and Donald Sell.

Started Sport In 1947

Football, in its seventh year at L. H. S., has come a long way since the first team took the field in 1947 with a group of inexperienced youngsters. Fighting their way to the championship in the Little Six Conference in 1949, the squad was undefeated in league competition, winning five. That year, the Thunderbolts lost only two games to powerful Scotland and Westminster teams.

Last Day To Ask Tribe For Tickets

NEW YORK (AP)—Today is the last day to mail World Series ticket applications to the pennant-bound Cleveland Indians of the American League. The New York Giants, edging closer to the National League flag, haven't set any deadline yet on mail orders.

The Indians and the Giants are the only club, accepting World Series ticket orders.

Gavilan And Saxton To Battle Oct. 20th

PHILADELPHIA (AP)—The twice-postponed title bout between welterweight champion Kid Gavilan and sixth-ranked challenger Johnny Saxton has been rescheduled for Oct. 20 at Convention Hall.

Premotor Herman Taylor said yesterday the bout would be nationally televised with a blackout imposed over a 100-mile radius of Philadelphia.

The fight, originally slated for July, was postponed because of a broken bone in Gavilan's right hand which he suffered while training for a loss to middleweight champ Carl (Bobo) Olson.

The bout was rescheduled for Sept. 1, but Gavilan came down with an attack of virus and the mumps the night before. The bout originally was to be held in Connie Mack Stadium.

Four Baseball Playoff Games Listed Sunday

Second-round games in the Shughnessy playoffs of the South Penn and Pen-Mar Baseball Leagues will be staged Sunday afternoon.

In the South Penn playoffs Mummaburg will meet Wenksville at Bendersville and Taneytown will play at Greencourt. Last Sunday Wenksville edged Mummaburg 8-7 in 13 innings while Greencourt laced Taneytown 17-1 to take 1-0 leads in the best-of-three affairs.

Blue Ridge Summit will be at Cashtown and Fairfield at Emmitsburg for the second games of the Pen-Mar semifinals.

Cashtown triumphed last Sunday 7-3 while Fairfield won 6-5 in 10 innings.

Eastern League

READING, Pa. (AP)—Albany's hustling Senators slammed across four runs in the 10th inning against Reading last night to take the first game, 5-2, in the Eastern League Governor's Cup finals.

Manager Jack Burns' boys tied the game in the ninth and then broke up a brilliant mound duel between Reading's Bill Meyer and Al Schroll with the extra-inning splurge.

The teams meet here again tonight in the best-of-seven series, with lefty Roberto Vargas hoping to get the home club even against another southpaw, Duane Wilson.

Copperhead Snake Causes Street Jam

READING, Pa. (AP)—Patrolman Donald Ray broke up a downtown traffic jam yesterday, then hit the cause of it all on the head with a shovel and threw the body down the nearest sewer.

The culprit was a hissing copperhead snake that had draped itself on the curb and refused to let pedestrians pass.

Junior High Football Squad Has Four Lettermen; Coaches Seek Additional Candidates

Ex-Classmates On Opposing Squads In Game Tonight

When the Gettysburg and Delone Catholic football teams clash here tonight at 8 o'clock there will be several former classmates at the local parochial school on opposing sides.

Glenn Weishaar, Gettysburg quarterback; Captain Buddy Redding, fullback; Don McKendrick, halfback, and Phil Kenworthy, back, all of Delone, are among the local school as classmates.

A large crowd is expected to turn out tonight for the first home game of the season for the Warriors. Both contestants lost their initial games last week and are doubly anxious to chalk up their first win.

A squad of 45 candidates, including but four lettermen, are seeking berths on the Gettysburg Junior High School football team which opens its season September 30 when the Delone Freshmen will play here.

Head Coach Ned Brownlee and his assistant, Luther I. Sachs Jr., will build their team around the following veterans: Earl Little, quarterback; Richard Cook, end; Rex Baltzley, fullback, and Ken Keefer, halfback.

Included on the squad are 18 seventh graders; 13 eighth graders, and 17 ninth graders.

Need Fundamentals

Coaches Brownlee and Sachs are hopeful that more candidates, particularly from the seventh and eighth grades, will report in the near future. They point out that in order to build a strong Junior High team it is necessary that candidates from those grades report to learn the basic fundamentals of the game for later varsity play and future Senior High action. Due to age and weight, the Junior High varsity is primarily made up of ninth grade students.

If a sufficient number of seventh and eighth grade candidates join the squad, it is planned to hold a series of intra-squad games the day prior to the Junior High contests. It is possible a "league" may be formed among those who are not varsity squad members.

Included on the squad at present are:

Seventh Grade
Bruce Douglas, Paul Dorr, Michael Small, George Harberger, Maurice Knox, Wayne Fissel, Richard Drees, Thomas Evans, William Rentzel, Maurice Miller, George Guise, Warren Rudisill, Robert Furney, Marshall Nichols, Gordon Richardson, William Little, Edward Simpson, George Mitchell.

Eighth Grade
Donald Plank, Barry Fair, Dwight Graham, Frank Dearing, Elmer Thomas, Roy Coldsmith, F. Crouse, Carl Kidwell, Edward Smith, Frank Skidmore, Harvey Bolinger, Charles Zhe and Gary Maitland.

Ninth Grade
James Staiger, Douglas McCarty, Joe Riddlemoser, Gerald Settle, Donald Crone, Richard Cook, Thomas James, Donald Kimple, Richard Dracha, Robert Becker, Donald Eckert, Robert Staley, John Sauter, Fred Landsperger, Rex Baltzley, Kenneth Keefer and Earl Little.

New College Book Store Opens:

Students returning to Gettysburg
this week were greeted by the
sight of a new building on the campus
— a college book store that is as
attractive as it is to be found at any
other college in the east.

Built during the summer and
opened to students a few days ago,
the store is rapidly taking its
proper place in the daily life of the
undergraduates.

The building, located at the corner
of North Washington St. and
North Stevens St., also contains a
storage room and an office for Mrs.
C. Paul Cessna, manager of the
book store. Mrs. Cessna supervises
the store for the college administration.

Telling his hearers that "Europe

Today's Talk

DOES IT MATTER?

It is a fact that the bigger problems
of life that come to us all,
from time to time, are usually
handled with courage, determination,
and with little or no complaining.
It's the little pesky things that
do the most damage to one's
disposition and peace of mind.
What a large number of them could
be quickly wiped from our consciousness
merely by asking ourselves
when each appears, does it
matter?

What a world of bitterness, misunderstanding,
and frayed nerves could be prevented
each problem as it appears and
deciding then and there whether
it is worth the upset that so often
appears. A sense of humor has
often saved the day where there
has been the temptation to cause
a quarrel or unhappy incident.
Habitually, in our daily lives, there
is that whispering in our ears, does
it matter? In a majority of cases
it really does not matter.

The incident then can be dismissed.
A sense of values is a wonderful
possession. How silly and unintelligent
it is to place any value
whatsoever on an incident or happening
that has no mental, moral,
or spiritual significance. Those
things that matter in our daily lives
are the things that contribute to
our character and standing, and
which reflect the lives, books and
experiences that have most
shaped our career.

We must keep challenging our
common sense and putting it to
the test. We must get the selective
habit, the same as the shopper
does when out to buy a definite
article, but the one that has long
been pictured in the mind of that
shopper. It always matters whether
we are satisfied with life, or are
reaping its gifts and rewards, for
to be happy in a little space is
far more important than to be
either wealthy or famous in a
big space!

Tomorrow Mr. Adams will talk
on the subject: "Be Serviceable"

Just Folks

THE ARTIST

The artist with his brush and paints
Bring back to life the long dead
saints,
Or keeps alive with pigment green
The spender of a woodland scene.

He captures with an accurate eye
The features of a passer-by—
A gray, old man, death soon will
call,
To live on some museum wall.

Upon a canvas with his powers
He brings to life the springtime
flowers,
And bright they'll stay for all to
know,
Though countless winters come
and go.

The artist, fine of taste and sense,
Bestows on frailty permanence,
And for the future keeps alive
What otherwise would not survive.

'SORDID STORY' OF GOP 'MISRULE' WILL BE AIRED

HARRISBURG (AP)—Sen. John Carl Miller (R-Beaver), who jumped the Republican party two days ago to support Democratic candidate George M. Leader for governor, said today the "sordid story of Republican misrule in Pennsylvania will be brought out into the open" before this campaign is over.

"It is not a pretty story," Miller said in a statement. "It is a story that reveals the shame and despair of decent, self-respecting people in the Republican party who, like me, have seen the complete breakdown of political integrity."

The "grand exodus" from the Republican party now is underway, Miller said, adding:

"The Horstis, the Fines and the Owletts have no one to blame but themselves."

Noise Won't Impress
He referred to Miles Horst, state Republican chairman; Gov. John S. Fine; and G. Mason Owlett, Republican national committee-man.

Dealing with Horst specifically, Miller said the GOP chairman is "merely making noise that will impress no one" in saying that Miller is an "embittered, defeated and discredited politician" for having come out in support of Leader.

"In 1950, when I was elected to the House of Representatives, I was the only Republican to win in Beaver County," Miller said. "In 1952, when I was elected to the State Senate, for a term that still has two years to run, I broke many vote records in the Beaver-Lawrence senatorial district."

True Picture Hidden
In a campaign speech at Steelton last night, Leader said the true picture of unemployment in Pennsylvania is hidden by statistics which do not show the "vast number of employees working a short week with a sharp cutback in earnings."

Many people are working only three days a week in steel and coal centers Leader said, adding: "According to statistics, they are still employed, but their income and purchasing power are cut 40 per cent. They do not find much encouragement in the Republican idea that we are enjoying great 'progress and prosperity.'"

Charles Frank Snyder, both of Biglerville, R. D., were united in marriage Saturday evening at 7:30 o'clock in the parsonage of the Arendtsville Lutheran Church.

The ceremony was performed by Rev. George H. Berkeimer, pastor of the bridegroom.

Mr. Snyder is employed by the C. H. Musselman canning company, Biglerville.

The couple will reside at the home of Mrs. Laura Deardorff, Biglerville, R. D.

Substitutes Court Suit For Gun Battle

TOWSON, Md. (AP)—Mrs. Wanda K. Sieniewski has substituted a court suit for a gun in her fight with a construction company.

She is suing the Leo G. Butler Co. of College Park for \$70,000. About a year ago she brought company construction of sewer and water lines to a standstill by impounding its equipment behind chicken wire and standing guard with a rifle.

The 57-year-old grandmother fended off company attempts by land and water to recapture their equipment parked on her property. She gave in after negotiations.

But she is asking \$10,000 for property damage, \$25,000 for trespassing and \$35,000 for damages to her health.

LEIPZIG FAIR SHOWS RUSSIA SEEKING TRADE

By TOM REEDY

LEIPZIG, East Germany (AP)—The Leipzig Trade Fair, which closed this week, made it evident that the East has something to export this year for the first time since the war. Moscow wants trade and is pushing for it.

The fair managers boasted that you could buy anything you saw. That included giant drill presses, lathes, optical instruments, precision tools, Russian and Czech automobiles, weaving machines, silks, wines, porcelain and pottery, engravings, lace and needlework, Pilsen beer and Russian brandy, vodka and champagne.

Change For Stalin

The Soviet pavilion was jammed with machinery, operating for the public. A giant statue of Stalin which once dominated an entry to the pavilion had given way to a twin statue that appeared to depict Lenin as the teacher and Stalin as the pupil; Stalin was half an inch shorter than Lenin.

The Red China pavilion was the second largest. It offered silk brocades, fine rugs and tapestries—and drill presses, lathes and motorcycles. A bronze bust of Mao Tse-tung was in the center of the hall.

The East German government announced that business contracts for the equivalent of nearly 400 million dollars were signed during the 11-day fair.

MRS. SPECK IS INDICTED

HARRISBURG (AP)—The Dauphin County grand jury yesterday returned a true bill of indictment against Mrs. Helen W. Speck on a charge of embezzling funds while serving as deputy prothonotary of the State Supreme and Superior Courts.

The court granted a continuance of the case at the request of Mrs. Speck's attorney, Carl B. Stoner.

PRESIDENT IS PROVED RIGHT ON RED ISSUE

By JAMES MARLOW

WASHINGTON (AP)—President Eisenhower hasn't been in politics as long as Sen. McCarthy but so far he has been a better political prophet.

Late in 1953 Eisenhower expressed hope Communists-in-government would not be an issue in this year's congressional elections Nov. 2. He said he thought his administration would have weeded out by then any in the government.

Shortly afterward, on Nov. 24, 1953, McCarthy contradicted the President with a forecast of his own:

"The raw, harsh, unpleasant fact is that communism is an issue and will be an issue in 1954."

McCarthy Was Wrong
He was wrong. Communists-in-government may be fought over in some local campaigns but is not a national issue raised by either party, yet.

McCarthy went further last November and made himself an issue in the 1954 elections by saying:

"If the American people agree with (former President) Truman that what he calls McCarthyism is bad, that it is wrong to dig out and expose traitors, they have a chance to get rid of me as chairman of the investigating committee by defeating any Republicans up for reelection."

He's In A Box Now
He apparently exaggerated his own political importance. He is not a national campaign issue. Candidates generally are not rising or falling on how they stand on him.

Instead of being an issue, he's in a box, put there by his own Republicans. They've boxed him in far more completely than the Democrats were ever able to.

The result has been to keep him out of the campaign although there is nothing to show that was the intention.

The 62-year-old Carlisle woman was suspended several weeks ago when a check of her accounts in the state office was made while she was recuperating from an injury suffered in a fall at the capitol building.

The indictment was on the specific charges of fraudulent conversion, embezzlement by a public officer and larceny by an employee. Dist. Atty. Huette F. Dowling had set at \$17,000 the amount of money missing from the courts funds.

French officials estimate that about 350,000 Frenchmen now live outside the country compared to about 800,000 businessmen, teachers, missionaries; engineers and others who lived outside the country in 1914.

Saw Slain Woman In "Close Embrace"

WILKES-BARRE, Pa. (AP)—A chauffeur testified in Luzerne County Court yesterday that he saw Paul Graver and Mrs. Dorothy Casey Gilhool in a "close embrace" while sitting in a tavern last December, shortly before she was found slain.

Mark Waltich of Vernon, Wyoming County, said he later observed Mrs. Gilhool put her arms about Graver's neck. Graver removed the woman's arms, Waltich testified, and walked from the tavern. He said he didn't see Graver again.

Graver, 43, is on trial for the murder of the 42-year-old wife of a casino operator at nearby Harvey's Lake.

Waltich said he was chauffeur for John C. Kehoe Jr., 42-year-old son of a widely-known Pittston coal operator. Kehoe earlier testified he could not recall meeting Mrs. Gilhool at the taproom.

6 UNION HEADS SUSPENDED BY REUTHER ORDER

NEW YORK (AP)—A directive by CIO President Walter P. Reuther has resulted in the suspension of six union officials following testimony in a state probe of union welfare funds.

Reuther yesterday ordered "prompt remedial action" against a half dozen top officers of the Retail, Wholesale and Department Store Union (RWDSU), adding that the CIO "cannot and will not tolerate crooks or Communists in the labor movement."

Carrying out his chief's order, Max Greenberg, international president of the RWDSU, appointed administrators to audit the books of the five locals involved.

Admitted Using Funds
The six men had admitted to state investigators they used welfare funds to provide themselves with high salaries and expense accounts, lavish vacations, automobiles and other special benefits.

Meanwhile, in Washington yesterday, Senate and House committees prepared to launch their own probes of reported union welfare fund abuses and received pledges of cooperation from Reuther and AFL President George Meany.

The Senate Committee is headed by Sen. Irving M. Ives (R-NY), slated to be nominated as GOP candidate for governor of New York next week.

Rep. Samuel McConnell Jr. (R-Pa) heads a similar House committee.

EX-RED PILOT IS STUDENT AT U. OF DELAWARE

By VERN HAUGLAND

NEWARK, Del. (AP)—Kenny No. the former Communist pilot who flew a MIG15 jet fighter from behind Korea's Bamboo Curtain a year ago—and collected a \$100,000 reward—enrolled this week as a freshman at the University of Delaware.

From Gen. Mark Clark, the man responsible for the award, came hearty congratulations.

"He's doing the right thing," Gen. Clark told the Associated Press by telephone from Charleston, S.C., where he heads the military school, The Citadel.

No Pictures, No Comment
"It's wonderful that he is using the money wisely—and I am sure he has good advice."

"He has seen communism—knows what it is to have to live under it. I send him my warm regards and wish him all kinds of success."

At his dormitory the huskily built, broad faced 22-year-old Korean was found in typically collegiate slacks and sport shirt. He was polite, agreeable—and reticent. He lived up well to the "No" part of his name. No pictures, no story, no comment.

Flew Into Fame
"I wish very much to be considered as any other student," No said. "I don't like for people to read about me and see my face in the newspapers. So I would rather not talk if you are a writer."

Durocher Praises Pennant-Bound Giants As They Take Pair From Crippled Braves; Yanks Nip Tigers

By JOE REICHLER

Associated Press Sports Writer

Beaming with pride over his pennant-bound New York Giants, Leo Durocher today called his 1954 league leaders a greater club than his 1951 miracle team that came from way behind to defeat the Brooklyn Dodgers with the never-to-be forgotten finish.

The voluble little manager, gushing with good will and in a blessing-all attitude, lauded his Giants as the "gamest team that ever walked out on a field" following what probably was their happiest day of the season.

Combining brilliant pitching, a tight defense and timely hitting, the Giants twice whipped the Milwaukee Braves by 6-2 scores yesterday to sweep the three-game series and stretch their first-place lead over Brooklyn to 4½ games. A 9-3 defeat inflicted by Cincinnati upon the Dodgers helped the Giants pick up a game and a half in one afternoon.

"Did you ever see such a club as this one?" boomed Leo in a voice loud enough to drown out the clubhouse din. "This is the gamest club I ever managed. And one of the best. Certainly better than the '51 Giants. It has more pitching, a deeper bench and an improved Willie Mays."

"Maybe my 1941 Dodgers were better. But I'm not even sure of that. Anyway, these guys of mine are great. Simply great. All of them."

Durocher had good reason to be proud of his team. Once again when the chips were down they came through like champions. The more precarious their position, the harder they have played. Four times during the last four weeks, the Giants' lead shrunk to three or fewer games and each time they have come through with resounding victories.

Braves Virtually Out
As a result of yesterday's activities, the Giants can count their pennant chances on the fingers of one hand. The magic number is now five. Any combination of five Giant victories and/or Dodger defeats would clinch the flag for New York.

The game but hard-luck Braves, now 1½ lengths off the pace, are virtually eliminated. The combination there is three. In justice to the Braves, they played the entire series without the services of slugger Joe Adcock, their injured first baseman. In addition, Eddie Mathews was handicapped by a lame left leg. Bobby Thomson missed yesterday's twin bill because of his ailing ankle and Henry Aaron was out with a busted leg.

Only one other major league game was played. In that one, the New York Yankees prolonged their agony, defeating the Detroit Tigers 4-2 to keep their faint pennant hopes barely alive. They still trail the pace-setting Cleveland Indians by eight games with only nine to go. Cleveland also has nine games left.

No Brash Statements
Despite the Giants' big bulge, Durocher refused to make any brash pennant statements. "We play one game at a time," he said. "We've got to win again tonight." (The Giants play Philadelphia tonight.) "But those two were good ones. My guys played like champions. You can't give them enough credit. Gomez . . . Grissom . . . Wilhelm . . . Mays . . . all of them Everybody took part. I'm proud of all of them."

Ruben Gomez and Monte Irvin . . . Dark . . . Williams . . . were the first-game heroes.

16th For Gomez
Gomez, the Puerto Rican right-hander, turned in an eight-hitter for his 16th triumph and fourth in a row. Monte Irvin drove in four runs with a double, single and sacrifice fly as the Giants knocked out Warren Spahn for the first time this season. He has started six times against them.

Grissom and Wilhelm combined to hold the Braves to seven hits in the nightcap. Grissom, making his first start since May 1, gave up all the hits before he was removed after Mathews' 37th homer had tied the score at 2-2 with one out in the sixth inning. Wilhelm gained credit for the victory, his 12th, holding the Braves runless and hitless in 3 2/3 innings. He now has pitched 9 2/3 consecutive hitless innings. Mays slammed his 40th homer and two singles to boost his batting average to .343 tying him with Brooklyn's Duke Snider for the league lead. Alvin Dark and Davey Williams also homered off loser Lew Burdette in the nightcap.

49th For Ted
Joe Nuxhall, the only lefthander to beat Brooklyn at Ebbets' Field, did it again with a route-going 10-hitter. The Reds walloped five Brooklyn hurlers for 13 hits in-

cluding home runs by Wally Post, Bobby Adams and Ted Kluszewski. It was Kluszewski's 49th. Only three National Leaguers — Hack Wilson (56), Ralph Kiner (54) and Johnny Mize (51) have hit more in a season.

Yogi Berra's 3-run homer in the first inning was all young Bob Grim needed to win his 19th game of the season. The righthander permitted six hits. He has an excellent chance to become the first rookie 20-game winner for the Yankees since Russell Ford turned in a 26-6 record in 1910.

TITLE FIGHT IS SET FOR 11 P.M.; GOOD FORECAST

By MURRAY ROSE

NEW YORK (AP)—Yes, folks, heavyweight champion Rocky Marciano and challenger Ezzard Charles still are waiting around to fight for the title. The 15-round, twice postponed, is scheduled for Yankee Stadium at 11 p.m., EDT (10 p.m., EST) tonight.

Note, it says scheduled. Rain washed out the return bout on Wednesday and Thursday to equal the heavy weight championship postponement record set in 1948 by Joe Louis and old Jersey Joe Walcott.

The game weatherman, sticking his chin out again, says it will be "mostly fair" this afternoon and tonight. He predicted Wednesday that it would rain Thursday, let up in mid-afternoon, and be cloudy Thursday night. Promoter Jim Norris couldn't wait. The morning rains wet all the seats and everything else in the park and he called off the fight at noon.

Weatherman Right
For the record, the rain did stop late Thursday afternoon. But it started drizzling again at 7 p.m., let up shortly after, and then 10 minutes before the original 10:30 p.m., starting time it began to rain again. At 10:50 p.m., it was pouring.

If it rains tonight and another postponement is forced, the rain-jinxed scrap will be rescheduled for Saturday night at 11 p.m., EDT.

Beyond Saturday, nobody knows. The Yankees come home Monday and will need the park themselves. The International Boxing Club will have to take out its expensive ring and seat setup. Norris can't shift to the Polo grounds because the Giants expect to play in the world (Continued on Page 10)

Littlestown High School Football Team

The Littlestown High School football team is shown above. The roster includes the following, left to right:

First row: Kenneth Rineman, Larry Sentz, managers; Kelly Pottorff, Gene Miller, Ronald Bowers, Jackie Busbey, Pat Sentz, Tony Maitland, Larry Huff, Robert Shadle, James Barnes, managers.

Second row: David Bucher, James Sellman, Terry Brown, Leo Harper, Jay Showvaker, George Snyder, Donald Kump, Dean Selby, Carl Wantz, Fred Busbey, Lenard Potter.

Third row: Maurice Bream, assistant coach; Pete Sentz, Tom Gouker, James Kress, Kenneth Kooztz, Donald Sell, Joe Klunk, Robert Orndorff, Albert Snyder, Wilbur Gobrecht, head coach. Missing from the picture is James Zulick.

Littlestown Opens Season Against West York Saturday

Littlestown football fans can expect plenty of action Saturday afternoon when Coach Wilbur Gobrecht takes his newly acquired Thunderbolts into York for their season's debut with the powerful West York High School gridders. West York, who defeated the Bolts in a thrilling contest last year, have 10 lettermen back on their squad.

Saturday's game will mark the 1914 opening of the Laurel League Conference. Other members of the conference include: Susquehanna, Dallastown, Kennard-Dale and Biglerville.

Twenty-eight boys reported for football practice at Littlestown, including 16 members from last year's team which won one (Susquehanna), tied one (Biglerville) and lost six.

Use Single Wing
Working with a comparatively light, fast squad, Gobrecht, assisted by Maurice Bream, has been teaching his pupils the fundamentals of the single wing, hoping to capitalize on deception, quick openers, spinners and weak side charges. In previous years, the Bolts operated out of a T-formation and double ring.

In the backfield, the 23-year old coach plans to use returning Donald Kump at fullback, and George Snyder in the quarterback slot, along with halfbacks, James Kress, James Zulick and Lenard Potter. Candidates for the end positions are: Jay Showvaker, Dean Selby, Fred Busbey and Leo Harper, James Sellman, 2-year veteran, will be back at center while Robert Orndorff, Thomas Gouker and Kenneth Kooztz will share the guard positions. Dividing the tackle chores will be David Bucher, Terry Brown and Donald Sell.

Started Sport In 1947
Football, in its seventh year at L. H. S., has come a long way since the first team took the field in 1947 with a group of inexperienced youngsters. Fighting their way to the championship in the Little Six Conference in 1949, the squad was undefeated in league competition, winning five. That year, the Thunderbolts lost only two games to powerful Scotland and Westminster teams.

Last Day To Ask Tribe For Tickets

NEW YORK (AP)—Today is the last day to mail World Series ticket applications to the pennant-bound Cleveland Indians of the American League. The New York Giants, edging closer to the National League flag, haven't set any deadline yet on mail orders.

The Indians and the Giants are the only club, accepting World Series ticket orders.

Gavilan And Saxton To Battle Oct. 20th

PHILADELPHIA (AP)—The twice-postponed bout between welterweight champion Kid Gavilan and sixth-ranked challenger Johnny Saxton has been rescheduled for Oct. 20 at Convention Hall.

Promoter Herman Taylor said yesterday the bout would be nationally televised with a blackout imposed over a 100-mile radius of Philadelphia.

The fight, originally slated for July, was postponed because of a broken bone in Gavilan's right hand which he suffered while training for a loss to middleweight champ Carl (Bobo) Olson.

The bout was rescheduled for Sept. 1, but Gavilan came down with an attack of virus and the mumps the night before. The bout originally was to be held in Connie Mack Stadium.

YESTERDAY'S STARS

By THE ASSOCIATED PRESS
BATTING — Yogi Berra, New York Yankees, hit a three-run homer in the first inning to provide the winning margin as rookie Bob Grim hurled a six-hit 4-2 triumph over Detroit.

PITCHING — Hoyt Wilhelm, New York Yankees, pitched 3 2/3 hitless and scoreless innings to receive credit for his 12th relief victory as the Giants defeated Milwaukee 6-2 in second game of twin bill.

Four Baseball Playoff Games Listed Sunday

Second-round games in the Shaugnessy playoffs of the South Penn and Pen-Mar Baseball Leagues will be staged Sunday afternoon.

In the South Penn playoffs Mummaburg will meet Wenksville at Bendersville and Taneytown will play at Greenmount. Last Sunday Wenksville edged Mummaburg 8-7 in 13 innings while Greenmount laced Taneytown 17-1 to take 1-0 leads in the best-of-three affairs.

Blue Ridge Summit will be at Cashtown and Fairfield at Emmitsburg for the second games of the Pen-Mar semifinals.

Cashtown triumphed last Sunday 7-3 while Fairfield won 6-5 in 10 innings.

Eastern League

READING, Pa. (AP)—Albany's hustling Senators slammed across four runs in the 10th inning against Reading last night to take the first game, 5-2, in the Eastern League Governor's Cup finals.

Manager Jack Burns' boys tied the game in the ninth and then broke up a brilliant mound duel between Reading's Bill Meyer and Al Schroll with the extra-inning spurge.

The teams meet here again tonight in the best-of-seven series, with lefty Roberto Vargas hoping to get the home club even against another southpaw, Duane Wilson.

Copperhead Snake Causes Street Jam

READING, Pa. (AP)—Patrolman Donald Ray broke up a downtown traffic jam yesterday, then hit the cause of it all on the head with a shovel and threw the body down the nearest sewer.

The culprit was a hissing copperhead snake that had draped itself on the curb and refused to let pedestrians pass.

Junior High Football Squad Has Four Lettermen; Coaches Seek Additional Candidates

Ex-Classmates On Opposing Squads In Game Tonight

When the Gettysburg and Delone Catholic football teams clash here tonight at 8 o'clock there will be several former classmates at the local parochial school on opposing sides.

Glenn Weishaar, Gettysburg quarterback; Captain Buddy Redding, fullback; Don McKendrick, halfback, and Phil Kenworthy, back, all of Delone, are among the local school as classmates.

A large crowd is expected to turn out tonight for the first home game of the season for the Warriors. Both contestants lost their initial games last week and are doubly anxious to chalk up their first win.

A squad of 48 candidates, including but four lettermen, are seeking berths on the Gettysburg Junior High School football team which opens its season September 30 when the Delone Freshmen will play here.

Head Coach Ned Brownley and his assistant, Luther I. Sachs Jr., will build their team around the following veterans: Earl Little, quarterback; Richard Cook, end; Rex Baltzley, fullback, and Ken Keefer, halfback.

Included on the squad are 18 seventh graders; 13 eighth graders, and 17 ninth graders.

Need Fundamentals

Coaches Brownley and Sachs are hopeful that more candidates, particularly from the seventh and eighth grades, will report in the near future. They point out that in order to build a strong Junior High team it is necessary that candidates from those grades report to learn the basic fundamentals of the game for later varsity play and future Senior High action. Due to age and weight, the Junior High varsity is primarily made up of ninth grade students.

If a sufficient number of seventh and eighth grade candidates join the squad, it is planned to hold a series of intra-squad games the day prior to the Junior High contests. It is possible a "league" may be formed among those who are not varsity squad members.

Included on the squad at present are:

Seventh Grade
Bruce Douglas, Paul Dorr, Michael Small, George Hayberger, Maurice Knox, Wayne Fissel, Richard Drees, Thomas Evans, William Rentzel, Maurice Miller, George Guise, Warren Rudisill, Robert Furney, Marshall Nichols, Gordon Richardson, William Little, Edward Simpson, George Mitchell.

Eighth Grade
Donald Plank, Barry Fair, Dwight Graham, Frank Dearing, Elmer Thomas, Roy Goldsmith, F. Crouse, Carl Kidwell, Edward Smith, Frank Skidmore, Harvey Bolinger, Charles Zhea and Gary Maitland.

Ninth Grade

GROWING IN CHRISTIAN LOVE
Matthew 5:43-48; 1 John 4:11-19

Key verse: Above all these put on love, which binds everything together in perfect harmony. Colossians 3:14

We are having considerable success with flowers this summer. They respond to rain and sunshine, and to such treatment as we have learned to give them. It is interesting to observe the number of blossoms that grow in the same stalk. One reason is, we believe, because we cut them regularly and keep them as decorations in the house or share them with our neighbors. It is that way with Christian love. The more you apply or share it the more it grows. Jesus was preparing His disciples for a notable life work. In so doing He gave new interpretation to old truths, or gave entirely new

commandments. He knew that if they were to be true and effective teachers of His Gospel they must have a correct understanding of love. The Old Testament idea of love was narrow. It was exercised chiefly between people of the same social group. For enemies there was no love. It was "an eye for an eye, and a tooth for a tooth." The practice was retaliation, and if possible with interest. "But I say to you, love your enemies and pray for those who persecute you." This command from Jesus is perhaps the most difficult for His followers to obey. It is closely related to another commandment: A new commandment I give to you, that you love one another, even as I have loved you. His inner circle of friends and pupils must practice the kind of love He illustrated so frequently

by word and deed. Only in this way could they grow in this foremost of all virtues. Also, by loving each other as He loved them would let men know that they were His disciples. No other badge was required. Love is the final test.

True Christian love is expressed not only by word but by deed. It calls for action. In this love is like faith, dead unless followed by helpful service. The incident comes to mind where Jesus questioned Peter about his love for the Master. Four times Jesus asked: "Do you love me?" Four times Peter answered, "Yes, Lord you know that I love you," four times Jesus replied, "Feed my lambs—feed my sheep." Caring for Christ's flock, and increasing that flock is a fitting service of love. Thousands of tons of food, clothing and medicines which have gone, and are going, to war sufferers are evidence that true love still lives and is growing.

Forgiveness is a really difficult thing to do. But Jesus set the example on the Cross by his patient suffering and his words of forgiveness. Then too, Stephen while being stoned to death, prayed that the cruel deed might not be laid to the charge of the doers. As Paul labored for his Master's cause he learned, and the hard way, the necessity of love and forgiveness. For he put forth his endeavors for Christ's sake, not his own. Self gave way to love—as he grew in grace he also grew in love. And if he did not always relish what he received in the way of physical suffering he was willing to carry on for Christ's sake.

Our world is today full of bitterness and confusion. There is healing for all our ills. It is the Gospel of the Lord Jesus applied with unselfish love.

Dr. Martin Luther has a helpful word in his pamphlet on Christian Liberty: "From faith flows forth love and joy in the Lord, and from love a cheerful, willing, free spirit, that serves one's neighbor voluntarily, without taking any account of gratitude or ingratitude, of praise or blame, of gain or loss. For one does not serve in order to lay men under obligations, nor does one distinguish between friends and enemies,

nor does one look to gratitude or ingratitude, but one most freely and willingly spends oneself and all one has."

EVERYONE WELCOME

WHO? ME?

They're always talking about me! They say all sorts of things I can't understand: *Isn't she cute? Just a year old. Looks like her mother, doesn't she?*

I wish I knew what it all means. But they always smile when they talk about me—so it must be complimentary.

Frankly, I haven't a worry in the world. My Mamma and my Daddy always seem to know what's best for me. I'm sure they want to do everything possible to make mine a wonderful life.

I just hope they realize how important it will be for me to go to Church School. But, of course, being the wonderful parents they are, they'll realize that little souls must grow up just like little bodies. And they'll not only provide for my religious training—they'll set the Christian example that a little "princess" like me simply has to have.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

SAYS LEADER'S TAX STAND IS GUESSING GAME

HARRISBURG (AP)—Miles Horst, state Republican chairman, said today "the biggest guessing game in Pennsylvania is no longer where Leader stands on taxes but where he stands on anything."

Horst referred to Sen. George M. Leader, Democratic candidate for governor, who has taken a firm stand against re-enactment of the state sales tax.

"The Democratic candidate says he is against the wage tax at the very same time that the Democratic organization in Pittsburgh imposes a wage tax on the working people of that city and the Democrats in Philadelphia continue the wage levy," Horst said in a statement.

"The Democratic nominee for governor says he will not shift the responsibility for the upkeep of schools to real estate but who can believe him?"

"Is he counting on the boss contractors who are financing his campaign of smears to dig into the pockets for the money for schools?" Horst asked.

"Whistling in Dark"
"Or is he whistling in the dark and hoping the people won't find out just how little he knows about

our state government before Nov. 2?"

The GOP chairman asserted that Leader voted for the "spending of every dollar and millions more which he now says is being wasted in Pennsylvania."

"When did he change his mind?" Horst said. "Did he believe he was right when he voted for a half billion dollars for health, welfare and the needy, and 200 millions for the general operation of the state government debt service and other vital functions in 1953?"

"Or is he right now when he is running for governor?"

Meanwhile, Lt. Gov. Lloyd H. Wood, GOP candidate for governor, declared Pennsylvanians are entitled to know what they are going to get for their money in the way of public services.

Wood spoke at St. Mary's Wednesday after a day-long tour of Warren and Elk counties.

Paul Graver, 43, is on trial in Luzerne County Court for the murder of the 42-year-old wife of a lake casino operator. Graver was an employee of the casino.

Miss Joan Casey, 27, of Luzerne, a sister of the slain woman, testified Wednesday that she heard noises on the floor above the casino soda fountain the day after her sister disappeared and hours before her body was found.

Investigating what she said sound like a thumping noise, she said she found only a number of boxes stored on the second floor.

Dist. Atty. Louis G. Feldmann told the jury earlier the commonwealth would prove Graver was with Mrs. Gilhool the night she disappeared in a building near where the body was found.

Dr. Mary Willard, Penn State University criminologist, who is reported to be a key witness for the commonwealth, arrived Wednesday from State College and may testify at today's session.

FOOD, FASHION REVIEW TO BE GIVEN BY CLUB

Miss Margaret Easley, home economics representative of the Manufacturers Light and Heat Company, Gettysburg, was present at the meeting of the Women's Community Club of Littlestown and vicinity on Wednesday evening in the P.O.S. of A. Hall, to explain the details of the Food and Fashion Review, being planned by the Women's Club as their fund-raising project for this year.

The Food and Fashion Review will be held in the Littlestown High School auditorium on October 5 at 7:30 p.m., and will present a combined cooking school and fashion show. Proceeds from the affair will be used for the benevolence program of the club, throughout the 1954-1955 club year.

The two-hour Food and Fashion Review will be divided into four parts: morning time or baking time, when Miss Easley will bake a cake, on stage, and casual and children's school clothes will be modeled; afternoon out or a mother's Special, when an oven and a broiler meal will be prepared and the fashions modeled will be afternoon clothing; food and fun period when party food will be prepared and dress-up clothing will be shown; and after the party is over, when bedtime and midnight snacks will be the feature, and the clothing modeled will follow the same lines. Clothing to be modeled will come from the Rose-Ella Infant and Tot Shop and from Tobey's in Gettysburg.

The Finance committee is in charge of the Food and Fashion Review, with Mrs. Robert H. Miller and Mrs. Chester S. Byers serving as co-chairmen. Dearborn-Wood Bros. CORN PICKER

Get Better, Cleaner Corn...Faster!
Here's the machine that led the field at the 1952 National Mechanical Corn Picking Contest near Rushville, Indiana. You, too, can get "prize winning" results, right on your own farm, when you harvest your crop with the Dearborn-Wood Bros. Corn Picker.

Capacity PLUS

One of the features largely responsible for the exceptional capacity of the Dearborn-Wood Bros. Corn Picker is its husking bed. As corn moves onto this extra large bed, the husking bed feed spreads ears evenly over the rolls. There are six big rolls; 3 rubber, 3 steel! They team up to remove husks fast, yet gently... with a minimum of shelling. As a result, you get more and better corn... with less work and in less time.

The Dearborn-Wood Bros. Corn Picker works in rows as narrow as 26"... attaches to any two-pow or larger tractor with A.S.A.E. Standard PTO and hitch.

Ask for a demonstration. Rely on a champion to help you build corn profits. Convenient terms available.

Sportsmen Want Licenses To Hunt Antlerless Deer Issued From One Office, Not Counties

HARRISBURG (P)—What to do about the present system of issuing permits to hunt antlerless deer loomed today as the big question at the semi-annual meeting of the Pennsylvania Federation of Sportsmen's Clubs got under way here. Delegates to the meeting from 64 of the state's 67 counties will be asked to endorse a move seeking legislation to abolish the present permit issuing system. Under the current system, the permits are issued through county agencies. The method has long been under fire from sportsmen's groups who want the licenses issued from a central agency on a first-come, first-served basis. The issuance of the special

licenses is part of the state game commission's plan to maintain the proper balance between the deer herd and available deer range. Under the program doe and young buck deer with antlers less than an inch long are fair game in the special season. There is no antlerless season for 1954. Other resolutions expected to draw lively discussion during the two-day meeting deal with various aspects of hunting and fishing in the state. A total of 43 resolutions is scheduled to be presented for discussion and possible adoption. The PFSC plans to seek installation of a full-time observer at the capitol to look after member interests. Charles H. Nehf, Allentown, now

parttime secretary of the association, said, however, he feels the measure will be opposed because it would mean extra assessments on the organizations' 943 clubs. Some 185,000 Pennsylvania sportsmen are represented in the association. In the fishing classification resolutions to be discussed include one calling for the raising of the legal length of trout to seven inches on the grounds that they do not reproduce themselves until they reach that length. Another calls on the fish commission to make it easier for anglers to obtain fishing rights along streams. The anglers also will seek endorsement of a resolution to have the commission change the laws to allow fishermen to clean a catch on the spot. Opposition is expected by the state's archers against a proposal that the archers be confined to their special reserves during the archery season, instead of being allowed freedom of all state game lands. As an alternative proposal, the resolution calls for elimination of state archery preserves. Teen-age fare: pour chocolate sauce or syrup over ice cream and top with crushed peanut brittle.

TITLE FIGHT IS

(Continued from Page 5) series and don't want their precious field messed up. Lots Of Complications And Norris doesn't want any more trouble with the Giants. A conflict with the Giants, among other things, is the reason for the late 11 p.m., main event starting time tonight. Another reason is that the IBC can't compete, even if it wanted to, with its regularly sponsored Friday night radio-television fight series. The radio-TV fight, starting at 10 p.m., EDT (9 p.m., EST), features middleweights Walter Cartier and Willie Troy in a 10-rounder at Washington. This will be telecast to homes across the nation. The heavyweight title fight will be seen only at the stadium and in theaters across the country. The theater people cleared a cable for the closed circuit telecast for tonight and tomorrow night. There will be a nationwide broadcast via CBS. Sore At IBC President Horace Stoneham got

sore at the IBC because it scheduled the fight in opposition to a Philadelphia-Giants game at the Polo Grounds across the river. According to an agreement among the IBC, Giants and Yankees, the IBC can't put on a fight in competition with a ball game. Stoneham "reluctantly consented" to the fight when Norris explained to him that he thought the Giants were playing in the day time. They had been scheduled for a day affair originally but some time ago changed it to an arlighter. The Giants start at 8:15 p.m. (EDT) and should be finished by the time the fight gets under way. It must have been a lot easier in the old days when they fought on barges and only had to worry about the cops. Worried About Gate The managers of the fighters were worried about the gate but Norris remained optimistic. He said the refund demand wasn't too bad, that there will be about \$350,000 in the till, and that the show still might do \$500,000 with a good last day rush. The fighters, of course, were plenty disgusted over the postpone-

WOOD SAYS HIS CAMPAIGN IS "GOING SWELL"

BEDFORD, Pa. (AP)—The campaign is going swell and I'm tickled to have Sen. Johnny Walker plugging for me and the ticket, Lt. Gov. Lloyd H. Wood, Republican gubernatorial candidate, said today.

Wood made the statement after an early morning conference with Walker who joined the GOP political caravan yesterday at Indiana. The party headed today for State College but Walker returned to his home in Pittsburgh.

"I'll rejoin the party next week," Walker asserted. "I'll be with Lloyd as long as he wants me. I am going to do everything in my power to insure his election and the election of the entire Republican ticket."

Long At Odds With Fine
"I'm more than glad to have John speak for me," Wood said. "He's not only my good friend but he's been a fine legislator and knows an awful lot about state government."

Walker, whose term as state senator expires this year, bucked the GOP organization unsuccessfully in the spring primaries as he sought to be one of the party's nominees for Superior Court.

The Allegheny County senator long has been at odds with Gov.

Will Not Direct State Welfare Units

PHILADELPHIA (AP)—The Eisenhower Administration has no intention of directing state welfare programs from Washington, Charles I. Schottland, newly-appointed U. S. Commissioner of Social Security told the National Conference of State Welfare Finance Officers last night.

"The Federal Government," he said, "should exercise the minimum of supervision and control consistent with the laws of Congress and accepted accounting and fiscal procedures."

It was Schottland's first public speech in his new position in the Department of Health, Education and Welfare. He was appointed last July by President Eisenhower.

John S. Fine. He opposed Fine's plan for a state income tax.

Being Deceitful
Wood, in a speech here which wound up a week's tour of western Pennsylvania, hammered away at the Democratic tax program. The Democrats have promised to repeal the one per cent sales tax.

"They (the Democrats) are being deceitful and evasive," said Wood. "If we are going to have good government, eventually the question must come of who is going to pay the bill and how."

Earlier at Indiana, Wood said the Democrats also are being "deceitful" and "evasive" in dealing with the danger of other states luring Pennsylvania industry to within their borders.

TAKES HIS 2ND WIFE; 2 TO GO

JAKARTA, Indonesia (AP)—Indonesian President Soekarno, a good Moslem whose religion allows him four wives, has taken his second. Wife No. 1 and the young republic's feminists are furious.

Soekarno, 54-year-old president, a pioneer leader of the Indonesian revolution, had married a Mrs. Hartini, a divorcee and mother of five children, in a Moslem ceremony last June.

Mrs. S. Kartowijono, chairman of the women's organization Perwari, said Soekarno's beautiful 29-year-old first wife, Fatmawati, had not agreed to her husband's second marriage and is ready to seek a divorce. Fatmawati and the president have four children.

Mrs. Kartowijono, whose organization has been campaigning against polygamy among Indonesia's 78 million people, said Soekarno's example "pierces the hearts of women's organization members striving for justice for married women."

The feminist leader summoned women's clubs to a protest meeting.

REV. J. E. MILLER

(Continued from Page 1)

Gettysburg High School for two years. In 1941, he graduated from Reppert's School of Auctioneering, Decatur, Indiana, the youngest known to earn a diploma from this school. He worked with his brother, Philip J. Miller, auctioneer, operator of a custom farming business and cattle raiser, for some time.

Yet neither fame nor money were his ambition. He entered the minor seminary at Canton, Ohio, in September, 1942. Brunnerdale Seminary is the place of mental, physical and spiritual preparation and training for those men who wish to become priests in the Society of the Precious Blood.

College and Seminary
In 1945, Father Miller advanced to St. Joseph's College, Collegeville, Indiana. There he pursued his classical education for three years before entering St. Charles Seminary, Carthage, Ohio, in September, 1948.

Located in the west central portion of Ohio, St. Charles is the

Motherhouse for the missionary society of priests and brothers whom Father Brunner brought to this country from Europe in 1843. At present, the Sanguinists number over four hundred priests, nearly a hundred brothers, and three hundred students.

The Society of the Precious Blood is a group of priests, brothers and students who do not take vows, but who are united by a promise of fidelity. They live and work under a Rule of Life aimed at promoting the holiness of all the members.

To help toward the salvation of the faithful, the Society promotes the devotion to the Precious Blood by conducting missions, retreats and similar exercises. It may also undertake the charge of parishes, chaplaincies in religious institutions and the management of schools. It further assists as much

Jury Indicts Man In Apartment Death

DOYLESTOWN, Pa. (AP)—William E. Wolf, 21, of Hamilton Twp., N. J., was indicted by a Bucks County grand jury yesterday in connection with the slaying of Anthony C. Lankford, a 29-year old insurance executive.

State police said Lankford was slain in his apartment near Yardley last June after Wolf and the executive met in a Trenton, N. J., bar. Police said Wolf broke a decanter over Lankford's head and then used the broken glass to slash the man's throat.

Wolf was also indicted on four counts of robbery.

as possible the Bishops of the United States and their priests in whatever manner the good of religion and the welfare of souls demand it.

First Chaplain Killed
It was a member of this Society, Father Clement Falter, C.P.P.S., who was the first American Army chaplain to give his life in the line of battle during the second world war: Killed in action, November 8, 1942, Pedala, North Africa.

Gaspar Del Bufalo, 1786-1837, was the Italian priest who organized the Society in 1815. He was proclaimed a saint by His Holiness, Pope Pius XII, on June 12 of this Marian Year.

A three-day celebration is planned at the American Motherhouse on September 26-28, climaxing with a solemn Pontifical Mass by His Grace, Archbishop Alter, D.D., of Cincinnati, Ohio, and the sermon by Bishop Reedy, of Columbus, Ohio.

Author Of Articles
As a student in St. Joseph's College and St. Charles Seminary, Father Miller was active in the literary and social fields. He has contributed to various daily papers and magazines as the Celina Standard, Precious Blood Messenger and Measure in the fields of history, fiction, and literary reviews. He has also won national recognition by his writings and work in the interracial problems and rural life advancement.

In 1950, Rev. Fr. Miller was selected to serve on the Executive Committee for the National Catholic Students Mission Crusade Convention held at Notre Dame, Indiana. Following this, he was elected to the Executive Board as the Major Seminary Representative

for two years. It was also Father Miller who inaugurated the national survey among all major seminarians to learn the sociological, religious and environmental background for those who are now preparing for the priesthood in the United States. These facts and figures will soon be published after more than four years preparation.

Following his ordination ceremonies, the new priest will receive the missionary cross proper to the Society of the Precious Blood from the American Provincial, the Very Rev. Seraphim Oberhauser, C.P.P.S. With his parents, Mr. and Mrs. John M. Miller, his pastor, Rev. Fr. Anthony F. Kane, and other relatives and friends who attend the ordination, he will return to Gettysburg home for a short vacation. He is the youngest of eight children, three girls and five boys, and was born October 7, 1925.
